

Skyline Design

Cushion Programs

Choose from a curated palette of Sunbrella® fabrics, upgrade to high-performance custom cushions, and protect every piece with tailored covers — comfort and durability, made to your specification.

The Programs

Two ready-to-order paths to Sunbrella® comfort — a fast-shipping standard, and a curated palette you can select from.

QUICK SHIP FABRIC PROGRAM

A convenient quick-shipment program offering Sunbrella® cushions in Sunbrella® Canvas 5453. Each cushion is built around a high-resiliency foam core for optimal comfort and sewn with a premium venting-mesh system that speeds drying after exposure to rain.

CHOICE OF FABRIC PROGRAM

A customer-oriented option for clients who want a change of Sunbrella® fabric on their outdoor furniture. We recover the original factory cushion core in your choice of 24 stocked premium Sunbrella® fabrics — all at a standard grade level, shown on the following page.

FABRICS	ITEM CODE	LEAD TIME	WARRANTY
24+ Sunbrella®	C-FP	3-4 Weeks	5 Years

FEATURES & BENEFITS

- Choice of 24+ listed Sunbrella® fabrics.
- All Choice of Fabric items noted in MSRP by item number C-FP.
- Lead time 3-4 weeks (may vary during peak season).
- Flow-through mesh bottoms for faster drying.
- 5-year Sunbrella® warranty on fabric.

Choice of Fabric

Recover your original factory cushion core in any of the stocked Sunbrella® fabrics below, all offered at a standard grade under item code C-FP. Colors shown are representative; request a physical sample for an exact match.

Custom Cushion & Cover

For clients seeking a custom upgrade — specific fabrics, tailored details, highperformance foams and made-to-measure covers.

CUSTOM CUSHIONS

Custom cushions are available in a wide variety of fabrics, features and upgraded performance options, with a lead time of approximately 3–4 weeks. For fabric selection, refer to your Sunbrella® furniture fabric book; the grade list follows in this guide. Customer's Own Material (C.O.M.) may be sent to our main office — we are glad to customize cushions to meet each client's wishes.

Many bespoke features are available, such as serged inner raw edges (to allow machine washing of the casing) and welting or piping in matching or contrast fabrics for a truly custom look.

HIGH PERFORMANCE OPTIONS

Upgraded performance options let clients configure a cushion with greater longevity and faster drying than standard — especially appealing for luxurious outdoor living spaces.

- **High Performance DRY** — engineered for faster drying (about 3 hours in most environments).

- **High Performance PLUSH** — longer-lasting luxury; dries fast and, with the Stay-Round Crown™ memory-foam core, keeps its fresh look longer than most outdoor cushions.

Prices for custom cushions are listed per item in the price list, across grades A–I, with optional add-on pricing for Dry and Plush. C.O.M. falls under CFP pricing.

CUSTOM COVER PROGRAM

Protective covers custom-tailored to fit any Skyline Design piece, designed around water drainage and ease of installation. Each cover is packaged with its own storage bag to keep it neat between uses.

Covers are made from high-tech marine-grade fabric with lifetime-warranty thread — among the most durable in the industry — and are available in Sur Last Sand or Grey. Lead time is approximately 4–6 weeks.

Custom Cushion Grades

Sunbrella® fabrics available for custom cushions, listed alphabetically with their fabric grade (A–I). Grades correspond to fabric pricing tiers — refer to the current price list for pricing. Customer's Own Material (C.O.M.) falls under CF-P.
